

# Bahrain on the Food Security Index 2018

**Food security:** is defined as the state in which people at all times have physical, social and economic access to sufficient and nutritious food that meets their dietary needs for a healthy and active life.

**Global Food Security Index:** considers the affordability, availability, and quality of food across 113 countries.

Bahrain is ranked 41st out of 113 countries worldwide on the food security index, and 7th in the MENA region out of 15 countries.
